

Music is first and foremost

# Communication!

Communication between the

Culture ~ Composer ~ Conductor ~ Performer ~

**AUDIENCE!!!**

In order to communicate effectively you need to know how you are being heard.

## What the audience hears:

In order from average listener to experienced musician

### TOP 5

1. Rhythm/ Pulse

2. Character ~ Dynamics & Articulations

3. Tone ~ Consistency

4. Intonation

a. (most listeners will know something is amuck but won't be able to pin point it... it's intonation)

5. Right Notes.
